The Most Revd Prof Dr Malkhaz Songulashvili  
Metropolitan Bishop of Tbilisi,  
Evangelical Baptist Church of Georgia

Dear Bishop Malkhaz

My apologies for taking some time to respond to your kind letter of congratulation.

It was remarkable and deeply encouraging to read of the work of your church, the consecration of the Right Reverend Rusudan Gotsiridze, and your ministry of peace.

I have passed your invitation for me to visit to Lambeth Palace.

As I take up my new role in the New Year I am profoundly grateful for your prayers, and you are in mine.

Every blessing,
